

You are invited to attend the Fall Meeting of the North Carolina Commissioning Committee – NCCX, next Monday, November 6. Meeting information and directions are listed below. The meeting is open to all interested individuals and there is no pre registration.

The NCCX web site has recently been overhauled and the new site is up and running. Links and resources such as ASHRAE draft guideline HVAC&R Commissioning Process can be found on the site. Additional information can be obtained from the NCCX web site; <http://www.nccx.org/>

Also please mark you calendars for the Spring NCCX meeting to be held in conjunction with the State Energy Office 4th Annual Sustainability conference on March 8th. The conference will have four, all day tracks one of which will be on building commissioning. Future conference information will be posted on the NCCX site.
